

# UPS for Roller Shutter **Smart Battery Pack**

Prevent Trapped In When Power Failure

## Model : SKB-UPS600

- Input power: AC190 to AC250 Volts single phase
- Inverter output AC190 to AC220 Volts 50Hz 5.2 Ampere
- Auto connect to battery mode when input AC power is interrupted
- Battery output shall automatically cut-off after 3x detecting an overload
- Battery designed to switch **On** via wired wall switch and shall auto cut-off power after 120 seconds of idle operation to prevent battery to drain off
- Built-in 433Hz rolling code receiver ready to multiple handheld emitters pairing to switch **On** or wireless touch screen wall emitters to switch **On**
- Battery output automatically cuts off if short circuit occurs
- Wireless function built-in for SKB AC Motor option to connection
- Operating temperature from -18C ~ 50C

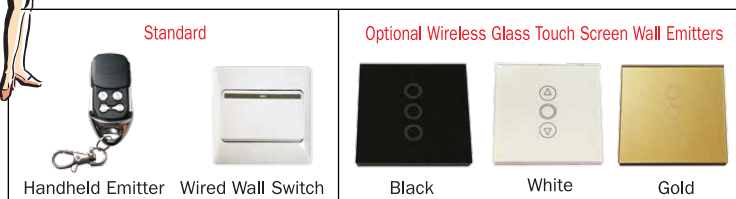

### Additional:

Product warranty: 2 years from installation date.

When output voltage falls below AC180V, beeping alarm will sound continuously.

Recommended to replace new batteries immediately for backup operation.

## Battery Ready For All

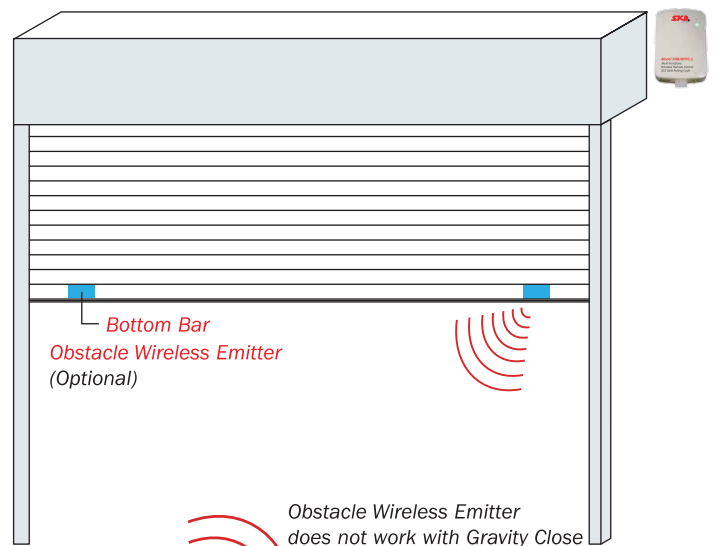

- Residential Staircase & Garage Shutters
- Industrial Warehouse & Commercial Shoplot
- High Risk Power Failure Shutter Installations
- Residential Security & Safety Shutters
- Lift Lobby Area Shutters Installation
- **Fire Shutters**
- Electric Sliding Door with AC200V to AC250V
- Electric Swing Door Gear with AC200V to AC250V
- High Speed Roller Shutter with PALUS  
(Powerless Assist Lift Up System)
- Electric Door Motor with AC230V and below 5Amp

# SKB® Multi-Functions Wireless Remote Control 433 MHz Rolling Code

## Model : SKB-MFRC-1

- 10 Millions Auto Select Rolling Code Security
- 433 MHz Frequency with Anti-Copying Built-In
- Flash Light & Alarm Built-In Connect Ready
- Infra-Red Safety Beam Sensor Built-In Connect Ready
- Auto Close Down Function with Timer Ready
- Bottom Bar Obstacle Wireless Emitter Connection Optional
- Electronic Travel Limit Function Extra to Mechanical Limit Ready
- Safety Fuse Built-In to Prevent Overload
- Maximum Paring to 70 Emitters
- Emitting Range to 70 Meter Open Area
- Warranty 24 Months from Date of Installation

### OPTION :

*Wireless Bottom Bar Safety Sensor  
incase hit Obstacle during closing*
